PRINCIPAL'S MESSAGE

Parent Teacher Interviews

Parent Teacher Interviews will be held on Tuesday 9th and Wednesday 10th of April (Term 1 Week 11). Information has been sent home already. If you require a translator, please book your parent / teacher interview online, then phone or call into the office to request a translator. We look forward to seeing many parents at interviews.

SRC Induction

Congratulations to the 2019 Student Representative Council team. We know they will do a great job as student leaders in our school.

Building leadership in Students

In the coming weeks we will be holding SRC and Peer Support training days. This training will equip our school leaders with the skills to confidently lead and contribute to our school community.

Election BBQ and Cake Stall this Saturday

As we approach Election Day this Saturday I would like to acknowledge the work of our P&C and volunteers who are working tirelessly to prepare for our Election BBQ and Cake Stall. As we know when new families join our school community, they are warmly welcomed by our P&C who are

proud ambassadors of Beverly Hills North Public School. This Saturday, all funds raised will go towards school projects directly benefiting our students. So as you visit your local polling booth this weekend (BHNPS), vote and support our P&C. Please buy a sausage and leave room for cake!

BHN Learner Profiles

The staff at BHN have been revisiting and reminding students of our BHN Learner Profiles. Students are expected to be RESPECTFUL, RESPONSIBLE, SAFE and a THINKER each and every day at school. Students are to display these Learner Profiles during class and play times. We encourage parents to chat to their children about our Learner Profiles and help support these school wide expectations.

Cross Country

Next Thursday 28th of March is our annual School Cross Country Carnival. This carnival is for all students in Years 3-6 and interested Year Two students who have turned 8, or will be turning 8 years old this year.

Harmony Day

Yesterday we celebrated Harmony Day at BHN. Our Harmony Day Breakfast was well attended with parents being treated to pastries and juice for breakfast. A BHN directed, short film was aired in the hall, with every student having five seconds of fame. The students enjoyed sharing with our school community what Harmony Day means to them.

School Photos

Last Tuesday was our School Photo Day. I am pleased to report that there were smiles all round and students looked sharp in their uniforms. We expect school photos to be delivered at the start of next term.

If you have any questions or comments, or would like to offer feedback, please come and see me.

Regards,

Robert Borg
Principal.

LEARNING AT BHN

Kindergarten Orange

KO created monster pictures during Visual Arts. The first step was a directed drawing of a monster, then they used crayons and finished off with a colourful paint wash. Stay tuned for the finished product!

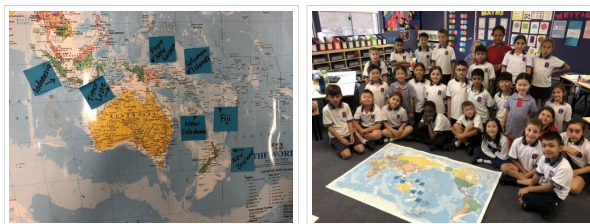

2AM

2AM are learning about Australia

3/4KB

3/4KB have been learning about Australia in our Geography unit. They have mapped the states, territories and capital cities of our country. 3/4KB have also learnt about some features and landmarks of Australia for example, Uluru. They are starting to investigate what Australia's neighbouring countries are and have enhanced their mapping skills. Students are excited to share what they already know and what they are learning. For example Salah said "I never knew Indonesia and India were two different places".

BHN STUDENTS GET THEIR HANDS DIRTY FOR A GOOD CAUSE

By Lia Pappas 3/4B
6th March, 2019

On Friday, 1st of March, 2019, the teachers and students of Beverly Hills North Public School participated in, 'Clean up Australia Day' to do their part in keeping Australia and BHN clean and free from rubbish.

With gloves and garbage bags in hand, students and teachers worked together to clean the playground, the classrooms, the library, the gardens and surrounding areas for approximately one hour.

"Keeping our school clean is important because it means we learn in a rubbish free, clean environment", said Lia Pappas, a Year 3 student at BHN. She also added, "that by cleaning BHN I am doing my bit to keep the environment and Australia clean for future generations".

Once they picked up the rubbish, students then sorted it correctly, determining what can be recycled and putting the rubbish in the correct waste bins.

"It's such a great way to teach kids about looking after their school and

the environment", said Mrs Baxter, a Stage 2 teacher at BHN.

Mr Borg, BHN's principal is proud of his staff and students and has said that "it is important for the community and schools to work together every year and get involved in this great cause".

It is estimated that the students of BHN picked up close to one tonne or rubbish, doing their part to keep Australia and BHN clean.

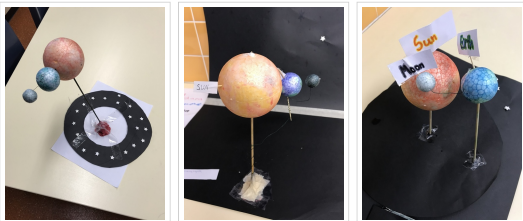

Lia from 3/4M has written an very informative newspaper article

5/6A

5/6A have been making models of the sun, Earth and moon for science. Our models need to show the orbit patterns of the Earth and moon around the sun. We made them from foam balls, toothpicks, wire and some small other things for decoration. 5/6A have worked hard over the past 3 weeks to make their models as lifelike as possible so others can learn from them. We hope that our models are a good representation. Mrs Chan has helped us a lot on these project and we are glad to have the opportunity to make these fun models.

LEARNING BEYOND THE CLASSROOM

Senior Dance News

Do you ever wonder what your child is doing in Senior Dance?

Miss Hefford the organiser of Senior Dance has been working hard to teach some Stage 3 girls a variety of different styles of dance such as Salsa, Hip Hop and Partner Work. We are

dancing to the song "Beauty and a Beat" By Justin Bieber and Nicki Minaj. Dance practise takes place on a Thursday from 1:20 – 1:40 at LUNCH. Some of the reasons why we love to dance at school is because it is a fun activity that you and your friends can participate in. You can join no matter the level of your dance experience and it's great exercise. Don't worry, Miss Hefford has simplified some of the dance moves to suit everyone. Why not encourage your child to join our senior dance troupe.

Ryan S	5/ 6B	10 yrs	Junior Relay(2nd)
Kaan O	3/ 4M	10 yrs	Junior Relay(2nd)

Sydney East Soccer Trials

Well done to Alex and Scott who have been selected to represent the Wiley Park Zone at the Sydney East Boys Soccer Trials.

Congratulations to Aysha and Siham who have been selected to represent the Wiley Park Zone at the Sydney East Girls Soccer Trials.

P&C NEWS

Election Day Fundraising

We are feeling the ?!

But we still need MORE donations. We have had some parents make contact with us about what they can bake or make to sell at our Election Day fundraiser but we still don't have enough donations.

We really need EVERY SINGLE FAMILY to assist.

Have a look at some of the lovely things our awesome volunteers have made. But this table is still empty... we need this table to be the Mt Everest of cakes and sweets and all things yummy!

Please help us make this Election Day a success. Email us at bhnpandc@gmail.com and let us know how you can contribute.

And if you can't help on the day - come and vote and have a democracy sausage!

Hot Cross Bun Day

On Thursday 11th of April we will be having a Hot Cross Bun Day. At recess each child will receive a Bakers Delight hot cross bun, Easter egg and a drink.

Cost: \$5.00

Orders need to be returned by Friday 5th of April.

No late orders will be accepted.

Bakers Delight
We're for real.

Easter Raffle

The P&C will be running our annual Easter Raffle again this year. Next week we will be calling on families to donate Easter eggs and items for our Easter raffle. Raffle tickets will be distributed to students next week with the Easter Raffle drawn on Thursday 11th of April.

Best wishes

Lena Ribbeck & BHNPS P&C

BHN NOTICEBOARD

Tell Them From Me Student Survey

We are delighted that this term, our school, like many other public schools in the state, will participate in a Department of Education initiative: the *Tell Them From Me* student feedback survey. The survey measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices.

The survey is a great opportunity for our students to provide us with valuable and quick feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. More than 6,300 schools in Australia and around the world have used *Tell Them From Me* to survey 5.4 million students. Capturing the voices of our students will help improve how we do things at our school.

The survey is confidential and is conducted online, typically taking less than 30 minutes to complete. It will be administered during school hours between the 1st and 12th of April. Participating in the survey is entirely voluntary.

A consent form for parents/carers about the survey is being sent home with students. If you **do not** want your child or children to participate, please return the form to school by **Friday 29th of March**.

Stewart House 2019 Clothing Appeal

Thank you to our BHN community for getting behind our Stewart House Clothing Appeal. We have received many generous donations that will be collected by Stewart House today.

Ethics Teachers Needed

Are you interested in volunteering as a Primary Ethics Teacher?
