Kalori Term 1 Week 7

## Principal's Message

### Harmony Day

Next Tuesday morning we will be celebrating Harmony Day here at BHN. Please join us from 8:15am. There is a photo booth, breakfast and the chance to walk around the school and look at class' Harmony Day displays. Students can wear an orange accessory to show their support of Harmony Day – Everyone Belongs.

### School Photos

On Tuesday, all our students had their individual, class and whole school photos, as well as lots of sibling photos. There were lots of braids, plaits and slicked hair styles. Our students smiled beautifully and we look forward to seeing the photos. Photos will be delivered early in Term 2.

### Parents at Morning Assembly

Can I please ask that all parents who attend morning assemblies, do so by standing at the sides near the hall and canteen, and please do not talk during the morning messages. Your cooperation is appreciated.

### Year 6-7 Information Session

Next Tuesday afternoon, 3.15-4.00pm in 6P classroom, Ms Pease will be holding an information session for Year 6 parents, to support Year 6 to 7 High School enrolments. If you are available, this is a good time to find out more about High School EOLs or if you have any questions.

If you have any questions or would like to provide feedback, please come and see me.

Regards,

Robert Borg

Principal.

## Student Learning

### KY

Kindergarten Yellow has been busy learning about fractions. We have been folding and cutting shapes in half.

### 1HM

1HM has been learning about shapes. We have been making things using 2D and 3D shapes.

### 3C

3C has been strengthening their social-emotional learning during our You Can Do It lessons every Wednesday. Students have particularly enjoyed learning about how we can make our brains grow stronger by using a 'Growth Mindset', and enjoyed working together to show persistence at challenging tasks!

## Awards

## You Can Do It Education

### SOCIAL-EMOTIONAL LEARNING

2020 sees the introduction of the *You Can Do It* social-emotional learning program from K-6 here at Beverly Hills North Public School.

We are all very excited to be part of this program that will support students to develop positive attitudes that will serve them well throughout their lives.

The lessons in the NEW Program Achieve and their content derive from a comprehensive framework that incorporates the latest research into the social and emotional characteristics of students and how they influence their positive and negative outcomes (e.g., achievement, relationships, wellbeing).

During Term 1, students in Year 1 to 6 will learn about work confidence, persistence, goal setting, time management and team-work. Students in Kindergarten will have lessons that introduce these concepts in preparation for the learning in later years.

The diagram below gives an overview of the positive character traits that are taught within the program alongside the 'negative' habits which may be visible. The program is grade-based and will run each term for the entire year.

We hope to bring you updates through the newsletter of the weekly lessons so that you can continue the conversation at home!

## P&C News

### Parents & Citizens News – 13 March 2020

Our first second hand uniform stall for the year raised \$140. Thank you to Rachel and Kylie for giving their time to our community. Please remember to drop off your Easter eggs/bunnies/baskets to the office. We'll be calling for volunteers soon to make up those fabulous Easter baskets so keep an eye out on the school app.

There is a free Canterbury Mental Health Forum being held on Friday, 3 April 2020 – 5.50pm for a 6pm start at the Pan-Arcadian Club, 55 King Street Ashbury. Please contact the Member for Canterbury to RSVP and if you'd like more information on 9718 1234.

### Volunteer Spotlight

Full name: Amy Chen

How many kids do you have: One

Why do you volunteer: I enjoy helping & contributing to the school.

Tell me an aspect of volunteering that you've really enjoyed: meeting new people.

What is one thing you'd like to see our school do: I'd like to encourage more parents to participate in school events.

The P&C is the body that represents all the parents at our school. We always encourage parents to come along to meetings and share ideas on how we can serve our community better. It is where we can ask questions. It is where decisions are made. Your P&C values everyone in our school.

You can stay in touch by joining our closed facebook page <https://www.facebook.com/groups/2630897146940374/>

Or you can email the committee on [bhnpandc@gmail.com](mailto:bhnpandc@gmail.com) or via the P&C tile on the school app.

Our meetings are held on the third Tuesday of every month, please try and come along.

Research shows the more connected you are to our school community, the better the educational outcomes are for your children.

The next meeting is straight after the meet the families event that our school is running.

Please note your diaries, our next meeting will be held on 17 March 2020 – 7:00pm (in the staff room)

Best wishes,  
Lena Ribbeck & BHN P&C

10th	Good Friday

### Harmony Day

Just a reminder that next Tuesday the 17<sup>th</sup> of March BHN will be celebrating Harmony Day. All children are asked to wear an orange accessory (ribbon, socks, hairclip).

The day will start at 8.15am with our Harmony Day selfies in front of the Tiered Learning Area, then all parents are invited to join the Harmony Day breakfast in the hall at 9am.

Once the morning assembly has finished and all children have returned to class, parents are invited to wander around the school and view the Harmony Day boards filled with children's work on the meaning of Harmony Day.

The HD Committee

## BHN Noticeboard

### Community Notices

#### *MindQuest - St George Girls HS*

On *Saturday and Sunday the 4<sup>th</sup> and 5<sup>th</sup> of April 2020* the 94<sup>th</sup> NSW Talent Enrichment Weekend, *Mindquest* will be held for primary students from Years 1-6 at St George Girls HS. Students will have an opportunity to participate in over 37 exciting, fast paced programs over the two days that are specifically designed for gifted and talented students, gifted underachievers and students with above average ability with a special interest. The courses include chemistry, earth sciences, drama, lego robotics, art and much, much more. Many of these highly successful courses have been run in the past and students' evaluations suggest they have been challenged and enriched by the experience. The cost of the weekend is \$210 (including GST). *Contact your child's class teacher for a brochure or phone Shelagh Poray at St George Girls HS on 49597149. Closing Date for Applications: 13<sup>th</sup> March 2020*
