Kalori Term 2 Week 2

Principal's Message

Welcome Back to Term 2

It was lovely to see all our students back with smiles on their faces ready for a term filled with learning and fun experiences.

Works Around the School

During the holidays, the playground space behind the hall and outside the library had new asphalt laid, and synthetic turf installed around the sandpit. It looks wonderful. If you have not already done so, take a walk down there to appreciate how lovely it looks. Once the new asphalt has settled, we will add new playground markings for the students to enjoy. The sandpit will be upgraded and open soon for the students to use. The covered walkway from 5/6B classroom to room 20 has had new awnings installed, and the new roofing on 5/B, 2D, 2N and 1/2T is being installed and looking amazing.

Mr Sheen and Mr Peters have been working on the gardens planting new plants and grasses. They have started to replace the rotting logs in the garden beds outside the kindergarten rooms with new sleepers.

Staffing News

At the end of last term, we farewelled Mrs Napier who is taking an extended period of leave until the end of the year. We welcome back Miss Hefford who will be taking 2N for the rest of 2023. Miss Hefford is well known to the students and parents of BHN.

Clubs

BHN clubs will be starting this term.

A note was sent home week 1 outlining the clubs that will be running, and the day they will be on. Clubs are groups that teachers volunteer to run to give students the opportunity to try something new, be part of a small group activity, pursue a hobby and make new connections.

Clubs will run on a weekly or fortnightly basis during lunch time for approx. 30 minutes. Teachers give up their own lunch time to run these clubs, so there cannot be a guarantee that the club will run consistently, as teachers' schedules may change.

Each Club will have a maximum number of students able to attend. If your child misses out participating in a club during Term 2 due to club capacity, they will have the opportunity to join the club Term 3.

New clubs have been added to the original list. This includes years 5-6 dance, drama and Storychasers. Days, times and teachers of these new clubs will be communicated when finalised.

Parent Workshops

We will be running a series of workshops and information sessions for parents throughout the year. These sessions will focus on building parent's capacity to support learning at home and accessing support and resources that are available in the community. We value working in partnership with parents to support our student's academic achievement and wellbeing.

Multicultural Dinner

Our community cultural dinner held at the end of last term was a huge success. It was wonderful to see so many families come and enjoy a meal together, making new connections and building upon our BHN community spirit. Thank you to all the businesses who supported the initiative, donating food and supplies. We look forward to this becoming an annual event.

Student Attendance

Consistent attendance at school improves student outcomes, increases career options, and helps students build relationships and confidence. Missing a day here or there may not seem like much, but absences add up and can impact your child's learning more than you think. When your child misses one day a week over a year, that's 40 days of school, 8 weeks of lessons and 2.5 years over their school life lost. Students are expected to have above a 95% school attendance rate, because days missed is years lost. That's why making sure your child comes to school every single day (unless genuinely

sick) is so important. Please remember, holidays should only be booked during school breaks. Students should be at school every day during school term, right from the first day until the last.

If your child misses' school due to illness, religious reasons, family circumstances, or other reasons, remember to contact the office on 97593849, send an email or use the BHNPS Student Absentee tile on the SZApp to explain the absence.

If your child arrives at school late or needs to leave early, you will need to go to the school office to sign your child in or out and explain the reason for the absence.

If you're having difficulty getting your child to school and on time everyday, contact the school for support.

Please see attached document for further information.

Anti Racism Information

With BHN community support, we do the very best we can to ensure that our students feel safe and are able to reach their potential.

The Department of Education and Beverly Hills North reject all forms of racism and are committed to the elimination of all forms of racial discrimination in NSW public schools. The Department's Anti-Racism Policy aims to ensure that no student, employee, parent, carer or community member experiences racism within the school environment.

The policy asks all members of the school community to assist in countering racism by demonstrating respect for the cultural, linguistic and religious backgrounds of others, and by behaving in ways that promote acceptance and harmony in the school environment.

Beverly Hills North has an Anti-Racism Contact Officer (ARCO) who is trained to assist with complaints and countering racism. Our anti Racism Contact Officer is Ms Pease. Please see attached document for further information about anti-racism and the role of the ARCO.

[english_anti_racism_policy_information](#)

Thank you for assisting us to maintain a positive school environment in which all forms of racism are rejected. Please contact me if you or your child experience any form of racism, witness anyone experiencing racism at our school, or if you would like further information or support.

P&C Mother's Day Stall

Our annual Mother's Day stall will be held on Wednesday May 10th and Thursday May 11th. Gifts range from \$1-\$15. All students will have the opportunity to purchase gifts on Wednesday during the day with their class. On Thursday morning, the stall will run from 8.30am-9.30am. This will be an opportunity for students who forget to bring their money on Wednesday to purchase a gift, or for students who would like to purchase an additional gift for mum, grandma, aunty or any other special woman in their life.

P&C Meeting Tuesday May 16th

Our next P&C meeting will be held on Tuesday May 16th in the staffroom commencing at 7pm. At this meeting, we will be discussing a list resources to be purchased with P&C fundraising monies to support student learning. If you are wanting to be a part of the decision-making process, please come along to the meeting.

If you are unable to attend the meeting at school, please join by the zoom link below.

Student Learning

KK

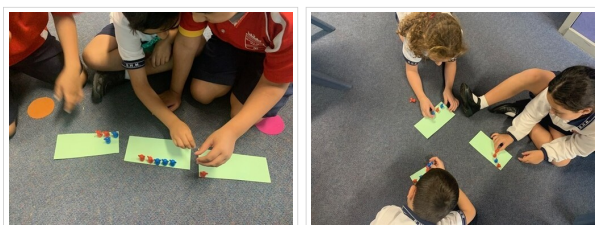

KK have been learning about 2D shapes during their maths lessons this term. We have learned about the different attributes of shapes and how to sort them. Children had an opportunity to sort different shapes in the classroom and then went outside to practise drawing triangles using chalk. We have been engaging in maths all around our school this year to show that maths is all around us.

2D

2D have been busy mathematicians!! We have been looking at how a collection of the same quantity can be arranged in different ways. Through the use of concrete materials students have demonstrated their understanding that numbers can be partitioned in different ways and no matter how a collection is arranged the quantity remains the same. Students were able to organise a collection of objects in different ways, describe the collection, work within a group to solve the problem and explain why the quantity remains the same even when objects are arranged differently.

3-6 Term 2 Week 2

3/4F

3/4F have been looking at the significance of ANZAC day as a time to pay respect to the brave soldiers who fought for their country, discussing values such as mateship and courage. Students enjoyed creating an artwork to remember the fallen soldiers in battle.

	Thinker	Responsible	Safe	Respectful
3/4M	Lily L		Nooriya Z	
3/4R	Mikkel E	Eamon V		
3/4F	Nicholas C	Rebecca L

Student News

School Cross Country Carnival

We held our school Cross Country carnival on Tuesday May 2nd, at John Mountford Park. It was wonderful to see many of the students participate in the events and try their very best.

Handball Competition Winner

Congratulations to Jake P in 5/6A who won the Handball Competition at school level, run through Camp Australia. Jake will be representing BHNI at the Regional Handball Championships on Sunday May 7th, where he will play against winners from other schools. We wish Jake all the very best.

PSSA Update

The PSSA season kicked off with 2 glorious Fridays, with clear skies. PSSA teams had a great start to the season, with some teams coming away with wins, whilst others faced challenging opponents.

Look out for team results included in the Kalori fortnightly. We wish all the teams the very best throughout the season as they develop their skills and and team spirit.

Sr Netball	BHN def. Ashbury 14-1	Hope H
Jr Rugby League	BYE	
Sr Rugby League	BYE	

P&C News

Parents & Citizens News – Term 2, Week 2

Dear Parents and Carers,

We are excited to be gearing up for another great term and have been busy behind the scenes getting the Mother's Day Stall ready. The stall will run on **Wednesday 10th May and Thursday 11th May** during the school day. Your child can bring some money and a reusable bag on the day to purchase a gift for mum, grandma, aunty, or someone else special in their life. We will have a variety of gorgeous gifts available with prices ranging from \$1 up to \$15.

As always, running these events is made so much easier and more efficient with your help! If you haven't already signed up to help at the stall and you can spare an hour or two we would love to have you onboard! The sign up sheet is available through the SZapp feed.

At the end of last term, some of the fabulous BHN staff were able to run the second hand uniform stall on behalf of the P&C. Not only was this a great opportunity for families to pick up some extra uniform items at affordable prices but all money raised gets injected back into the school as we work towards our fundraising goals. If you have uniform items that your child has outgrown and you no longer need please consider donating them to the school so we can run the stall again in the future. You can drop them off at the office at your convenience!

Our next P&C meeting is scheduled to take place at **7pm on Tuesday 16th May** in the school staffroom. Come along, meet some other parents, get a behind the scenes look at the workings of the P&C, find out about upcoming events, fundraising initiatives and goals and share your ideas. We hope to see you there!

You can follow us on Instagram and Facebook by clicking on the links below:
