Kalori Term 2 Week 6

Principal's Message

Emergency Evacuation Drill

This morning the school conducted an emergency evacuation drill in accordance with WHS policy and procedure. All students and staff on site evacuated to John Mountford Reserve.

Congratulations to all students on their sensible and responsible behaviour.

Whole School Assemblies

It was wonderful to welcome parents back to our assembly this week to celebrate student achievement after an extended absence due to COVID restrictions. Our students value sharing their successes with their parents and it fills them with a sense of pride. These opportunities are valuable in strengthening partnerships between home and school to support our students learning and wellbeing. We look forward to inviting parents and carers to assemblies to watch their children receive bronze, silver or gold awards. If your child is receiving a bronze, silver or gold award, you will be notified via email on the Friday prior to assembly (odd weeks).

We are currently finishing Week 6. Our next assembly will be Week 8, Friday 16th June.

Reconciliation Week Activities

As part of National Reconciliation Week activities at Beverly Hills North Public School, our Aboriginal and Torres Strait Islander students and parents participated in a cultural experience with Uncle John, an elder of Canterbury-Bankstown.

The day began with a Welcome to Country and a smoking ceremony. As Uncle John explained, 'a smoking ceremony cleanses the school and our community of bad spirits and brings the good spirits in to help with learning and friendships.' Our ATSI students and parents worked with Uncle John participating in activities including storytelling and art.

Moving forward, we are looking at establishing further connections with Uncle John for our ATSI students to promote aboriginal culture and inclusivity.

P&C Fundraising

Thank you to our P&C who have been actively raising funds to support our students. At the last P&C meeting it was decided that the P&C would use the funds to purchase an interactive whiteboard for one of the Stage 3 classrooms to replace a faulty one. They will also purchase additional home readers, and readers to be used in classrooms. Some of the readers have arrived and are slowly making their way into classrooms.

The P&C were successful in obtaining a \$10,000 grant through WestConnex. The grant will be used towards our initiative to upgrade the library. The P&C are working on applying for additional grants which, if successful, will be used towards the upgrade of our school vegetable/herb/fruit garden initiative. The garden will become a functional learning space for our students, and an opportunity for students with a green thumb to enjoy and take part in as one of our school's clubs.

The P&C held a pie, sausage roll, spinach and feta roll fundraiser yesterday to provide our students with a lunch option until the canteen tender process is complete. They are hoping to be able to do this weekly until the canteen reopens. Next

week's meal option is manoush pizza. The attached note will provide further information.

https://beverlyhnp.schoolzineplus.com/_file/media/2683/p_c_fundraiser_manoush.pdf

On behalf of the students and staff of BHN, I would like to thank the P&C for their efforts and support, and for working in partnership with the school. If you would like to get involved, the next P&C meeting is Tuesday June 20th at 7pm in the staffroom.

Upcoming Works at BHN

The library has sustained water damage from the leaking skylights. The external skylight has been sheeted over and the internal work is scheduled to begin in the holidays. The internal skylights will be removed and patched, and the damaged ceiling and cornices will be repaired and painted. All the internal pinboards will be replaced with new grey ones, except the end wall of the library near the entrance which will have the pinboards repaired.

Work to replace the boundary fence that borders the multipurpose court and the units on King Georges Road will be commencing in the next few weeks. The wooden palling fence will be replaced with a colourbond fence that is higher than the existing fence to ensure the safety of our students.

If you have any questions or comments, or would like to offer feedback, please call or email the school office.

Regards,

Rayleen Andriopoulos

Principal (rel)

BHN Happenings

April	
26th	Students Return for Term 2
27th	Anzac Day Ceremony
May	
1st	Goalball Gala Day
2nd	School Cross Country Carnival
4th	Selective High School Test - BHGHS
10th and 11th	Mother's Day Stall
16th	Zone Cross Country - Pease Park
19th	Walk Safely to School Day
22nd - 26th	Check in Assessment Yr 4 and Yr 6

26th	Police Youth Liaison Officer Visit - Stage 3
28th	Primary Links BHGHS
30th	Last Day of Term 2
July	
18th	Students Return for Term 3

Student Learning

KG

KG have been learning about friends to ten during their Maths lessons this term. Today they played a new BINGO game to help them practice identifying and recalling pairs of numbers which add together to make a total of ten. They had fun learning and playing with their classmates.

1W

1W have been learning about symmetry and different ways to represent numbers during Maths lessons.

3/4R

3/4R have been working on tessellations in Mathematics. We have investigated the shapes that tessellate on their own (triangles, squares and hexagons) and have had fun designing our own tessellating patterns and sharing them with our classmates.

5/6A

During Mathematics, 5/6A have been developing their understanding of fractions by playing the interactive fraction wall game, using dice to create their numerator and denominator as well as using rulers to visually check for equivalent fractions.

Student News

SRC - The BIGGEST Morning Tea Fundraiser

The SRC are excited to be holding the BIGGEST Morning Tea next Tuesday June 6th to raise funds as part of the Cancer Council's Biggest Morning Tea fundraiser.

Students are asked to wear **yellow** or **blue** and bring a **gold coin** donation.

Students will come together as a school to enjoy morning tea. Students are asked to bring their own food as they will not be sharing food.

Thank you

BHN SRC

The Crazy Sugar Hunt

In a swampy jungle lived a stubborn and lonely pirate. He was all alone and was determined to find a friend. Until he found there was treasure. Suddenly he came along a bear while searching for the treasure. They glared at each other, and suddenly they became friends.

On their journey, they came across a Pancake-man and an Ice-cream man with a doughnut truck. Turns out they were looking for the treasure as well, until they stumbled upon each other. The pirate and his bear friend were travelling across the lands and mountains. They came to a dead end at a mountain cliff. Pancake man and ice cream man were driving in their new doughnut truck, until they saw an entrance to a secret cave.

They entered with a mysterious and curious face. Shortly after, the pirate and the bear caught up to the pancake man and ice cream man. The pirate and the bear found the secret cave as well, they also entered in their fancy new auto mobile. Pancake man and Ice-cream man saw the treasure chest, they were surprised by who was behind them. It was their arch enemy. They all battled against each other. The Ice-cream man and Pancake man had won the battle. They were victorious. They had become rich; the pirate and the bear were devastated.

BY ZOSIA S. 3/4M AND RUQAYYAH A. 3/4M

Interview with Mr Barclay

- 1. Why were you keen to become a teacher?**
I like to learn and to also help people.
- 2. Why did you decide to come to teach at BHN?**
I got offered a position from the Department of Education.
- 3. What stage/year did you like teaching the most?**
I like teaching Stage 3 the best.
- 4. What university did you go to?**
I went to Western University in Milperra.
- 5. What's your favourite thing about being a teacher?**
I like to see people who develop from being a kid to a full grown civilian.
- 6. What's your favourite food?**
I eat EVERYTHING. I also eat all the teacher's leftovers.
- 7. Have you travelled to any countries?**
Yes, I have travelled to Thailand, Fiji and United States of America.
- 8. Do you have any special artefacts from the countries?**
Actually..! I don't have any.
- 9. Did you use to have a part time job?**
I had many jobs like baking and delivering pizzas, making juices, tutoring children, tree lopping and cooking in a kitchen.

P&C News

Parents & Citizens News – Term 2, Week 6

Dear Parents and Carers,

It has been a busy couple of weeks for the P&C! We had a great turn out at the last meeting, and having the time and space to contribute to decision making, plan for future fundraising events and get some insight into the strategic directions of the school has been invaluable. Keep an eye out for the date of our next meeting and feel free to come along!

The P&C are so pleased to be able to fund a new interactive whiteboard for one of the classrooms and provide additional readers for home reading and in-class literacy lessons. We were also successful in obtaining a \$10,000 grant through WestConnex that will go towards updating the library. All of this is made possible because of the hard work of our tireless volunteers, and many hands make light work so the more the merrier!

This week the P&C organised a special lunch treat for the children, who were able to order some yummy pies, sausage rolls and feta and spinach rolls – this was a great success with many orders placed and lots of happy children! The P&C hope to continue this as a weekly fundraiser until the canteen is staffed once more. It was only possible because of some wonderful volunteers, who counted money, organised orders,
